Palmyra Cove “Adopt-a-Beach” Award from the New Jersey Clean Communities Council

PALMYRA – June 27, 2016 – Palmyra Cove Nature Center (PCNC) received the New Jersey Clean Communities Council’s (NJCCC) “Adopt-a-Beach” Award for helping pick up litter on the shoreline of the Delaware River, which borders the Nature Center.

On this past Earth Day, April 22, Burlington County residents eagerly volunteered to collect litter along the shoreline and inland of the nature center’s premises.

Accepting the award was Clara Ruvolo, the executive director of the PCNC.

“We are very proud of our community’s helpfulness and enthusiasm for environmental consciousness. We are thankful for everyone that came to help and hope that we can do even more in the year to come,” Ruvolo said.

“Palmyra Cove Nature Center is a terrific partner for us and has made tremendous strides in the battle against litter,” said NJCCC Executive Director Sandy Huber. “We are proud to salute the work and the ongoing commitment to a litter free New Jersey.”

NJCCC is a comprehensive, statewide litter-abatement program that has served New Jersey residents and visitors for more than 25 years. Learn more at njclean.org.
