NOTIFICATION

Clean Communities 2010 Funding Allocations

TO: Clean Communities Mayors and County Executive Directors

The Department of Environmental Protection has posted for your information and use the final allocation of Clean Communities Funding for 2010 on www.njclean.org

This posting and formal notification is in lieu of the Department's mailing 559 letters to the Mayors of each participating municipality and 21 letters to each county's Executive Director along with copies to each local governments' Clean Communities Coordinator.

The distribution and allocation of the local government funding is based on the collection and availability of \$17.76 million through April 15, 2010. The municipal distribution is based on 80% of the funding allocated to each municipal based on their proportionate share of municipal road mileage and housing units as compared to all municipal road mileage and housing units. The county distribution is based on 10% of the funding allocated to each county based on their proportionate share of county road mileage compared to all county road mileage.

The Department has posted the grant guidelines on the Clean Communities Council's website for the ease of your use. The disbursement of the 2010 Clean Community entitlements is scheduled for April 30, 2010. If you have any questions you may contact the Office of Trust Fund Management - Division of Budget and Finance at 609-292-9230

Bob Martin, Commissioner
