THOUSANDS OF TEENS AND ADULTS *SLAM DUNK THE JUNK*
FOR A CLEANER NEW JERSEY

8th Annual NJCCC Awards Extravaganza Honors Thousands During 3-day Event,
May 25 – 27, Morristown

WHEN: Wednesday, May 25 through Friday, May 27, 2011

WHERE: Hyatt Regency Morristown and Mennen Arena

WHAT: Eighth Annual New Jersey Clean Communities Councils' Awards, Seminar & Banquet. Program awards groups and individuals that helped make New Jersey cleaner during 2010. Extravaganza draws thousands of attendees; honorees; schools; business, government and community organizations; mayors; congressmen; media and general public. Kicks off 2012 program.

Event opens at Mennen Arena with Kids-Teens Awards Program. Includes presentations of awards; basketball demonstration by the *Harlem Wizards*; live bands; and an Eco Fair. Thousands of kids-teens attending.

Three-day conference also includes reception and awards banquet for adults; seminar co-hosted by the New Jersey State League of Municipalities; welcome by Morristown Mayor Tim Dougherty; a wellness breakfast; a panel of mayors discussing how to keep New Jersey clean; and more.

NJCCC is a 501c3 non-profit corporation under contract to the N.J. DEP to oversee grants disbursed statewide to implement litter abatement programs and provide public information and education.

WHY: To honor New Jersey's kids, teens and adults for creating or participating in educational or hands-on environmental projects. Also to launch the third year of the *Slam Dunk the Junk* statewide anti-litter campaign, created in response to a legislative mandate to educate people about proper handling of waste and to encourage New Jersey residents and visitors to put trash where it belongs — in cans or recycling bins rather than on the ground or in the water.
