Tata Communications Earns “Adopt-a-Beach” Award from the New Jersey Clean Communities Council

MATAWAN – June 13, 2016 – Tata Communications received the New Jersey Clean Communities Council’s (NJCCC) “Adopt-a-Beach” Award for volunteering to clean litter on the coastline of Cliffwood Beach.

This past March, members of Tata Communications volunteered to help remove litter from Cliffwood Beach in Aberdeen Township as a part of the 2016 Water-Way Cleanup. Tata communications worked hard to ensure Cliffwood Beach remains safe and uncontaminated by waste.

“With the help of our volunteers, we managed to drastically reduce the waste along the shoreline of Cliffwood Beach,” said Sr. Lead Service Manager Tiffany Arevalo. Tata Communications’ volunteers worked extensively to provide the public with clean beaches.

“Tata Communications is a terrific partner for us and has made tremendous strides in the battle against litter,” said Sandy Huber, executive director of the NJCCC. “We are proud to salute the work and the ongoing commitment to a litter free coastline.”
